

Bittu Kumar Singh

Java Full Stack Developer

+91-7355707922 — bittusingh43822@gmail.com
Bengaluru, Karnataka, India — LinkedIn — GitHub

Professional Summary

Computer Science graduate with knowledge of Java Full Stack Development, including Java, Servlets, JSP, JDBC, MySQL, HTML5, CSS3, JavaScript, React.js, Spring Boot, and Hibernate/JPA. Experienced in developing web applications using MVC architecture, REST APIs, authentication, session management, and database design. Built academic projects including an AI-powered Job Portal with resume parsing and job recommendation features. Passionate about software development and continuously improving backend and full-stack development skills.

Technical Skills

Programming	Java, JavaScript, SQL
Frontend	HTML5, CSS3, JavaScript, React.js, Bootstrap, Tailwind CSS
Backend	Servlets, JSP, Spring Boot, Spring MVC
Database	MySQL, JDBC, Hibernate, JPA
Tools	Git, GitHub, VS Code, IntelliJ IDEA, Eclipse, Maven, Apache Tomcat
Concepts	OOP, Collections, MVC, REST API, Authentication, Authorization, Session Management

Projects

HireSense – AI Job Portal	<i>Java Full Stack</i>
- Developed an AI-powered job portal using Java, JSP, Servlets, JDBC, MySQL, and Spring-based technologies. - Implemented role-based authentication and authorization for Admin, Recruiter, and Candidate users. - Integrated AI resume parsing and job recommendation functionality based on candidate skills. - Developed recruiter, candidate, and admin dashboard functionalities. - Designed relational database structures and implemented database operations using MySQL. - Followed MVC architecture and reusable coding practices to improve application maintainability.	
Virtual Assistant AI	<i>React.js — JavaScript — Gemini API</i>
- Developed an AI-based virtual assistant using React.js and JavaScript. - Integrated AI API functionality for interactive user responses. - Implemented speech recognition and speech synthesis for voice-based interaction.	
Restaurant Website	<i>HTML — CSS — Bootstrap</i>
Developed a responsive restaurant website using HTML5, CSS3, and Bootstrap.	
Quiz Web Application	<i>HTML — CSS — JavaScript</i>
Created an interactive quiz application using HTML, CSS, and JavaScript.	

Education

Bachelor of Technology – Computer Science & Engineering	2022 – 2026
Corporate Institute of Science & Technology (CIST), Bhopal	
RGPV, Bhopal	75%
Senior Secondary / Class XII	63%
Central Board of Secondary Education (CBSE)	2022
Secondary / Class X	77%
Central Board of Secondary Education (CBSE)	2020

Certifications

- Java Programming
- HTML5, CSS3 & JavaScript
- React.js Fundamentals
- Git & GitHub

Achievements

- Developed multiple Java Full Stack web applications from design to implementation.
- Built responsive web pages using modern frontend technologies.
- Implemented authentication and authorization for multiple user roles.
- Designed and managed relational database tables using MySQL.
- Integrated AI Resume Parsing and Job Recommendation functionality.
- Applied MVC architecture to improve application maintainability.
